Indian Renewable Energy Development Agency adapts digital paperless governance

Indian Renewable Energy Development Agency Limited (IREDA) was established in 1987 as a Public Limited Government Company to promote, develop and extend financial assistance for Renewable Energy and Energy Efficiency/Conservation Projects.

With a bold mission “Be a pioneering, participant friendly and competitive institution for financing and promoting self-sustaining investment in energy generation from Renewable Sources, Energy Efficiency and Environmental Technologies for sustainable development” IREDA is registered as a Non-Banking Financial Company (NBFC) with the Reserve Bank of India (RBI).

“ BoardPAC has enabled secure and better Board Meeting Management for us and provided a better paperless secure solution ”

Board challenges which needed change.

Indian Renewable Energy Development Agency limited company secretary Surender Suyal shared his experience of the hurdles he encountered with pre, during and post-board meeting preparation prior to the introducing BoardPAC, "Before BoardPAC, the agenda for all the meetings were sent through hard copy and It was challenging to arrange the hard copies for all the Directors."

Surender also emphasised on the cost incurred with the printing and courier charges of all the board packs for the meetings. Considering the efficiency, security and cost into factor IREDA's Board required a solution to manage their board meetings.

A secure and efficient solution

After BoardPAC, all the agendas and papers uploaded on the software made it available to all the Directors in one click

Upon rigorous evaluations, Indian Renewable Energy Development Agency in 2019 integrated BoardPAC the user-friendly and highly secure board meeting automation solution for their board meeting management. Surender stated "After BoardPAC, all the agendas and papers uploaded on the software made it available to all the Directors in one click."

Surender also emphasised, "BoardPAC has enabled secure and better Board Meeting Management for us and provided a better paperless secure solution."

Better board meetings

After onboarding BoardPAC to the IREDA board, the secretarial team were able to seamlessly manage the pre, during and post-meeting work.

On accessibility, Surrender stated, "We can access our meeting agendas on iPads, mobile, laptops, and Android devices." Further on keeping good governance with sustainability with BoardPAC Surrender stated: "IREDA is a green financing institution and BoardPAC has helped it go paperless, hence a step towards a greener environment."
