

## CASE STUDY

Mande Ndema, Company Secretary  
Rebosis Property Fund Ltd.

## Leading Property Fund in South Africa Rebosis joins paperless governance

Rebosis is a leader in the real estate investment trust (REIT) listed on the main board of the JSE in the Real Estate Investment Trusts: Diversified REITS sector. The company has a diversified property portfolio comprising retail, office and industrial properties.

“ BoardPAC made our board meeting preparation easy, effortless and secure ”

## Board challenges which needed change.

Rebosis pre-board preparation required to compile documents, print, bind and circulate amongst the members of the board, followed by amendment alterations which required to repeat the above steps.

Mande Ndema, Company Secretary Rebosis Property Fund Ltd explained that "We previously use to print and bind paper packs for board meetings. It was not efficient and utilised a lot of time and cost" Mande further emphasised, "document storage too consumed a lot of time and cost."

Mande also elaborated "confidentiality and security are extremely paramount for our business especially being a JSE listed company and any compromise on security could jeopardize the share price" Taking the security, efficiency, time and cost factors Rebosis board required a more efficient solution to be introduced to cope and cater to the growing needs of the Rebosis business.
